

bentz photography, inc.

session tips for The Senior Experience:

- Feel free to bring at least 1 parent with you or a close friend if you would like! These people know you best and will tell you if you are having a bad hair day.
- Try to coordinate your outfits with a personal touch – shoes, jewelry, sunglasses, belts, hats.
- Bring a “reserve” outfit, in case something just doesn’t work out.
- Have an IPOD or favorite CD? Bring it along to enjoy listening to your own music during your session instead of our Tom Jones Collection!
- Are your fingernails manicured? Toenails painted? Shoes cleaned? Clothes washed and ironed? These small details show up in pictures.
- Plan for both outdoor and indoor pictures when selecting outfits.
- Trust your photographers! We know what looks good and what doesn’t. We will never make you uncomfortable or do something that doesn’t feel like you.
- We encourage you to bring as many props as you like to express what is important to you. Don’t know what to bring? Here are some suggestions:
 - Sporting Equipment
 - Pets
 - Awards/Uniforms
 - Instruments
 - Cars/Bikes/Boards

Don’t want to worry about props? We have a variety of items to choose from all throughout the studio!
