(260) 486-7581

### 7230 Hosler Road. Leo, IN 46765

If you are traveling Interstate 69 from the South, take the Union Chapel Road Exit 317. Turn slight right onto Union Chapel Road. Pass straight through one roundabout. Turn North (left) onto Tonkel Road and travel approximately 3 miles to Hosler Road. You will turn right onto Hosler Road at the blinking yellow light. Right is the only direction you can turn at this T intersection.

You will travel just over a mile on Hosler Road. The driveway will be on the right hand side and you may drive past it on accident. There is a sign just off the road the reads "Bentz 7230 Hosler Road". After you turn in, you will see the studio (45 x 60 brown pole building) on the right hand side and plenty of parking spaces.

If you are coming from the Maplecrest area, take Maplecrest towards Interstate 469. Go past the on/off ramps for Interstate 469 and turn left at the first light. This is Saint Joe Road, you will only be on this road for a short while until you turn right at the first light, this is Mayhew Road. Follow Mayhew around until you come to North Clinton/Leo Road. Turn right towards the intersection of Tonkel Road/Dupont Road. Proceed through the light onto Tonkel Road and continue heading North for approximately 3 miles before turning right onto Hosler Road. Continue with the directions above.

If you are coming from the downtown area, take North Clinton all the way through the Tonkel Road/Dupont Road intersection. Along the way, North Clinton will actually change names to Leo Road. Proceed through the light onto Tonkel Road and continue with the directions above.

If you are traveling Interstate 69 from the North, take the Auctions America Exit 326, which is county road 11A, and turn to the left towards Auburn. When you get to Tonkel road/427 turn right and travel South bound past Deer Track Golf Course till you come to Hosler Road at the blinking yellow light. Turn left and proceed using the directions above.

Thank you for choosing **bentz photography!**
